The Trembling of a Leaf: Little Stories of the South Sea Islands

By W Somerset Maugham

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.THE Pacific is inconstant and uncertain like the soul of man. Sometimes it is grey like the English Channel off Beachy Head, with a heavy swell, and sometimes it is rough, capped with white crests, and boisterous. It is not so often that it is calm and blue. Then, indeed, the blue is arrogant. The sun shines fiercely from an unclouded sky. The trade wind gets into your blood and you are filled with an impatience for the unknown. The billows, magnificently rolling, stretch widely on all sides of you, and you forget your vanished youth, with its memories, cruel and sweet, in a restless, intolerable desire for life. On such a sea as this Ulysses sailed when he sought the Happy Isles. But there are days also when the Pacific is like a lake.

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.
