Do you remember what it was like to see the world through a child's eyes? What it was like to take in the vibrancy of the colors, sounds, and smells with all the precious imagination, speculation, and childlike wonder of an impressionable young mind? Do you remember what it was like to be open and free to experience the happiness, innocence, and beauty of childhood? In *I Am Someone; I Am Me*, author Audrey C. Haynes shares her creative effort to help build positive self-esteem in children by painting lucid, imaginative pictures of the world as it is seen through the eyes of children. Combining touching, heartwarming poetry and engaging fairy tales with fun, and interactive activities young children should delight in being a part of, it promises to bring to light some of the thoughts, feelings, and impressions young children have about their self-worth and who they are. Creating in a child the sense that they are special, good, and beautiful is the most important thing parents and educators can do to instill positive self-worth. Remembering what it was like to be so impressionable and so vulnerable, the hope is to help build and reinforce our children's inner sense of worth and goodness and to promote positive, constructive, and wholesome development.
