What are your neighbours really like once their front door slams shut? Are your children s teachers sound-of-mind? Has your partner got an evil, sinister side? Is a member of your family a murderer? These questions, and more, are examined in a collection of nine disturbing short stories; tales about the darker side of human nature. How one killer spirals out of control and in his haste for victims makes a fatal mistake. A government trained killer who was set up as a scapegoat. Find out when a savage murder is committed over a packet of lamb chops. Strangers will never seem the same again.
