Reviews

*A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE GENIE FAMILY

[DOWNLOAD](#)

Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, The Genie Family, Jean Swainston, Check out your attics and cellars. Is there a dusty old lamp buried under years of accumulated stuff? Or have you perhaps dug one up with your spade in a field or on a beach? Well, rub off the first and polish hard! There may be a genie or two, or even a whole family inside. Jean Swainston's book The Genie Family tells of a group of genies eager to get out and join the modern world. We follow their adventures, trials and tribulations as they humorously float through the lives of a real human family. A fantasy story for all ages.
