Greenbook Publications, LLC. Paperback. Book Condition: New. Paperback. 82 pages. Dimensions: 9.2in. x 6.1in. x 0.2in. The Kybalion: Hermetic Philosophy is a 1908 book claiming to be the essence of the teachings of Hermes Trismegistus, published anonymously by a group or person under the pseudonym of the Three Initiates. The Kybalion purports to be based upon ancient Hermeticism, though many of its ideas are relatively modern concepts arising from the New Thought movement. The precepts of Hermetic philosophy remained shrouded in secrecy for more than 2,000 years, clouded by obscure language and dense allegories. This concise guide offers a modern interpretation of the doctrine, distilling its teachings with seven compelling principles that can be applied to self-development in daily life. The book itself early in reading makes the claim that it makes its appearance in one's life when the time is appropriate and includes variations of material found in the book of Proverbs. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
