Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

Xulon Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Seven Keys to Perfection are the most essential attributes we need in our lives and society today. The first key is faith (Clay) which is the soil God uses in sculpting our foundation in him. The second key is prayer (Wood). Every aspect of our yearning creates deeper resolution in communication with Christ. The third key is praise worship (Iron) this is where we build more intimacy with Christ opening up our lives to his presence. Studying the word (Bronze) Jesus is the word, symbolically portrayed as a bronze serpent bringing healing and restoration to everyone who puts their trust in him. Fasting and discipline (Silver) silver is often the color of war and we must understand the importance of obtaining these weapons when we come against all devices of Satan. Purity of heart, soul and mind (Gold)-without holiness, no eyes shall see the Lord. Courage and preaching the gospel (Diamond) all our works will be presented before the judgement seat of Christ and will either burn, or will be engraved into precious stones worthy for the calling which we have been chosen.
