## POLIN: STUDIES IN POLISH JEWRY

The Littman Library of Jewish Civilization. Paperback. Book Condition: new. BRAND NEW, Polin: Studies in Polish Jewry, Antony Polonsky, This volume highlights new research on Jewish spiritual and religious life in Poland before modern political ideas, above all nationalism and socialism, began to transform the Jewish world. The collection as a whole represents a welcome new trend towards a more rigorous approach to the study of Jewish religious life and writings and covers a range of topics. Three are working in Germany, where Jewish studies is likewise re-establishing itself. Other contributors are leading scholars from universities in Canada, Israel, South Africa, the United Kingdom, and the United States. Some are themselves religious, others are secular; taken together, their contributions further the study of Jewish religious traditions on the Polish lands, a topic central to an understanding of Jewish society and history in Poland but one which has long been considered marginal by the academic world. As in earlier volumes of Polin, substantial space is given to new research in other areas...
