VI.--Condition of the Greek Population under the Dukes of Athens. Chronicles and official documents replace in some degree the want of a Thucydides or a Xenophon, and enable us to reconstruct at least an outline of the political history of mediaeval Athens. But the blank left by the want of an Aristophanes is irreparable, and we are unfortunately completely ignorant of the condition of those whom Shakspeare calls-- The rude mechanicals, That worked for bread upon Athenian stalls. Still, in order to mark the peculiarities of the period that witnessed the almost total extinction of rural slavery, it is necessary to pass in review the few facts that are recorded concerning the condition of the labouring classes during the Frank domination in Attica. There is no doubt that the conquest of the Byzantine empire by the Latins, and the division of the territory among several independent princes, must have tended to ameliorate the condition of the cultivators of the soil who were still slaves or serfs. The Sclavonian or Albanian slave found a protector against his Greek master in the Frank feudal chief; and whenever his condition became insupportable, he could without much difficulty escape into the territories of some neighbouring and generally hostile prince. It has been supposed, from the tendency of Justinian's legislation, compared with subsequent laws of the Byzantine emperors, that Christians were not retained in slavery by the Greeks in the thirteenth century; and that rural slavery...
