

## How to Manage in a Flat World: 10 Strategies to Get Connected to Your Team Wherever They Are

---

By Philip Whiteley, Susan Bloch

Pearson Education (US), United States, 2011. Paperback. Book Condition: New. Reprint. 226 x 152 mm. Language: English . Brand New Book. In today s flat world, you must get the best from teams that span not just offices, but continents: teams of unprecedented diversity and complexity. Leading those teams, you must deliver better results faster and with fewer resources. Conventional management techniques just won t do the job anymore. You need a radically new approach to management: one that s more fluid, more agile, and far less hierarchical. How to Manage in a Flat World teaches you that new approach. Drawing on hard-won lessons from today s most successful global managers, this book covers both high-level concepts and hands-on techniques. You ll find best practices for everything from building trust to choosing the right times to travel.even maintaining a healthy work/life balance when you re leading a team that s operating 24/7! The new flat world has both high levels of interconnectivity facilitated by technology and high levels of dispersion within teams and companies, with colleagues often working in different offices, or even different parts of the world. This demands a new set of skills and tools of you as...
