## The Romans: From Village to Empire: A History of Rome from Earliest Times to the End of the Western Empire

By Professor of Ancient History in the Department of Classical Studies Mary T Boatwright, Associate Professor of History Daniel J Gargola, Associate Professor Noel Lenski

Oxford University Press Inc, United States, 2012. Paperback. Book Condition: New. 2nd Revised edition. 231 x 190 mm. Language: English . Brand New Book. The Romans is currently the best textbook on Roman history available in English. -- Walter Scheidel, Stanford University How did a single village community in the Italian peninsula eventually become one of the most powerful imperial powers the world has ever known? In The Romans: From Village to Empire, Second Edition, Mary T. Boatwright, Daniel J. Gargola, Richard J.A. Talbert, and new coauthor Noel Lenski explore this question as they guide students through a comprehensive sweep of Roman history, ranging from the prehistoric settlements to the fall of the empire in 476. Addressing issues that still confront modern states worldwide--including warfare, empire building, consensus forging, and political fragmentation--the authors also provide glimpses into everyday Roman life and perspective, demonstrating how Rome's growth as a state is inseparable from its social and cultural development. Vividly written and accessible, The Romans, Second Edition, traces Rome's remarkable evolution from village, to monarchy, to republic, to one-man rule by an emperor--whose power at its peak stretched from Scotland to Iraq and the Nile Valley--to the empire's fall in...
