JACK DRUMMOND WINS THROUGH: THE JACK DRUMMOND ADVENTURE SERIES FOR CHILDREN AGES 9-12

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A very warm welcome to Jack Drummond Wins Through, the second book in the series. Jack Drummond is your typical 13 year old schoolboy except that his life seems to attract the unusual! You will find that every one of his short stories contains a well-known moral or adage and your mission is to uncover it before you reach the end. If you find any vocabulary that is new to you, my advice is to try and work out the meaning from the context and then use a dictionary to confirm your suspicions. By using this method, it should help your mind to cement the information and to hopefully recall the meaning in the future. Jack has a vivid imagination and for those of you who also have the ability to let the story whisk you away to another world, you are the chosen ones who will probably get the most out of this book. I look forward to seeing you again soon for Jack s next adventure. Matt.
