### ***Reviews***

*Great e book and helpful one. It really is written in straightforward terms and not hard to understand. You can expect to like how the blogger wrote this book.*  
*(Hudson Christiansen)*

## HOMELAND

Tor Teen. Paperback. Book Condition: New. Paperback. 448 pages. Dimensions: 8.1in. x 5.4in. x 1.3in. In Cory Doctorows wildly successful *Little Brother*, young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Franciscoan experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, Californias economy collapses, but Marcuss hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. Its incendiary stuffand if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave himbut he cant admit to being the leaker, because that will cost his employer the election. Hes surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He cant even attend a demonstration without being dragged onstage and handed a mike. Hes not at all sure that just dumping the archive onto the Internet, before hes gone through its millions of words, is the right thing to do. Meanwhile, people are beginning to shadow him, people who look like theyre used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as current as next week, *Homeland* is every bit the equal of *Little Brother*a paeon to activism, to courage, to the drive to make the world a better place. This item ships from multiple locations. Your book may arrive...
