Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Felibri.com, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Islamic faith is a blind belief in a supernatural divine power that controls human destiny. Prophet Muhammad claimed to have communicated with Allah in a prophetic trance, but in the cold-eyed view of a trained psychiatrist his religious ecstasy was very similar to an epileptic seizure and schizophrenia hallucination which manifested itself by convulsive attacks and clouding of consciousness. Hallucinatory drugs can also cause misperceptions of reality. Hence, the people who are under the influence of drugs can also claim to communicate with Allah. When Allah revealed the Qur'an to Muhammad no one shared his experience so that anyone who believed in him had to take his word. But even if a great number of people put blind trust in his claims, sharing beliefs with many people does not prove that Allah exists. The strength of a blind faith cannot materialize or give life to the creature of a fantasy. When many people shared his false beliefs about reality, it became a mass delusion - THE ALLAH DELUSION. Our commonsense says if it walks like a duck, looks like a duck and swims like a duck, then certainly we are dealing with a duck. When it comes to Allah's religion however we change our perceptions. If it acts like a lunatic, if it often hallucinates like a schizophrenic and if it has all the symptoms of temporal lobe epilepsy, it must be the Holy Prophet of Allah! Scientific advance of human civilization and the theological retreat of Allah are interlocked. Even though science had not specifically disproved the existence of God, science has thrown such a flood of light upon Allah and his Qur'an that now...
