Birds, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Poetry. Art. quot; I m dressed like a Jamestown cannibal / In a city of mistake babies with e-cash, writes Amling in an astute and challenging debut collection that s both deeply poignant and darkly humorous. Like a deadpan oracle or font of offbeat wisdom you didn t know you needed to know, Amling acts as a guide through the ersatz Epicureanism of contemporary America, where freedom still remains monetary. He opens with a brief series of poems that are composed of cuts and outtakes Like a polygraph of a satellite that serves as a junkyard ars poetica. A visual artist adept in the medium of collage, he expresses these poems as social critique delivered through a signal scrambler. But his critique often extends to the practice of making art itself: I know many people living lives of artistic practice / that cannot take care of themselves, / and not out of paraplegic circumstance. // Art has not refined them. Reading through Ill Estates, Rare and Special Interests, and Liquid Assets, one encounters characteristically playful statements such as It is not so hard / To accept meaninglessness / Acceptance is very meaningful. Amling has designed a gallery installation of poetry that one returns to for the pleasure of its unsolvable mysteries, A collection of space / That I curate / Where I forgive myself. quot;Publishers Weekly quot; Poetry, like cat urine, can ruin the integrity of a room, writes Eric Amling, but it can also be a stealthy dominatrix. It is and does both in these startled, subversive poems, which churn up a disordered glee. But it s reassuring to know that All of these works will be filed in a custom...
