THEY CALL ME WHEELS

iUniverse. Paperback. Book Condition: New. Paperback. 136 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. In the year 2000 I thought I had life pretty much figured out, at least for a guy who had spent the last 16 years paralyzed and permanently confined to a wheelchair. As the survivor of a horrific car accident at age 19, I had rolled through some pretty rough territory, enduring not only hostile physical landscapes, but hostile attitudes of those around me as well. I was tougher than most, or so I thought; but all of that changed the day I became a step parent. It is the year 2000, and I have become the Master of my disabled realm: I can pop up and down steep curbs in my wheelchair and make it look like child's play. I can disassemble and pack my wheelchair into my car in under 30 seconds flat. I can swim 1000 yards non-stop in under thirty minutes using only my arms for propulsion. I can push on these wheels longer and harder than anybody, all day long, for as long as I need to without uttering a single complaint. Yet how in the world am I going to change the diaper of this kicking, screaming two year old that I've been left alone with for the first time? How on earth am I supposed to chase this tender Kindergartener up the stairs after he has just made off with my 200 pair of Oakley sunglasses? And what will I do the day they figure out that they can take me out of action completely by tipping me over backwards in my wheelchair? They Call Me Wheels is my story, how I fell in love with my future wife Elizabeth and virtually overnight became a wheelchair-bound stepparent to her two...
