

Psych Consults: A Concise Guide to Common Psychiatric Conditions

By Robert J. Mignone Md Fapa

Outskirts Press. Hardcover. Book Condition: New. Hardcover. 256 pages. Dimensions: 9.4in. x 6.4in. x 0.9in. This guide speaks to everyone because the psychiatric conditions covered in this guide--along with the daily stresses and strains of life--are so common as to likely touch (directly or indirectly) the daily lives of most people. The language is purposely practical and familiar though not dumbed down. Each chapter contains a concise discussion of a common psychiatric disorder (or disorders) of children, adults, and seniors. The reader can find a more in-depth discussion of issues in the resources listed in the back of the book. This guide--not intended to be just an intellectual exercise--offers a basis for identifying and understanding the important elements of psychiatric problems in oneself or a loved one. No medical advice is implied herein, but the reader is encouraged to consult a doctor or other mental health professional whenever indicated. Topics include ADDADHD, mood disorders (Bipolar I and II), Major Depression, Schizophrenia, the Anxiety Disorders, Substance Abuse, the Adjustment Disorders, Stress Management, the Anniversary Reactions, Alcohol and Drug Dependence, and the Personality Disorders. The common expression depression is subject to special clarification, since too often it does not refer to a medical (psychiatric)...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
