London Born: A Memoir of a Forgotten City

By Sidney Day

HarperCollins Publishers, United Kingdom, 2007. Paperback. Book Condition: New. 196 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.An extraordinary memoir from a man in his nineties who remembers everyday life in a North London now long gone: the hardships and deprivations of a life of poverty but also the resourcefulness and fortitude of a community determined to survive between the wars. When I look back, I can picture the old gels chinwagging on their steps in the Bay like it was yesterday. Little did they think that young Sid, passing by with his arse out of his trousers, would one day publish his memoirs! Ordinary people do not write their stories, believing their lives to be unremarkable. Some, like Sid, cannot write at all. But, with the aid of his granddaughter Helen Day, Sid has produced an extraordinary memoir of a city and a way of life now lost forever. London Born is a book that has appeared against all the odds - as Sid says, When me granddaughter Helen Day said she wanted to record the story of the first half of me life and turn it into a book I was astonished....
