Strategic Book Publishing Rights Agency, LLC, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What would happen if doctors could cure all illnesses and there was no such thing as death? Would you want to live forever? The incredible novel *Immortals for a While* tells the story of a world without death, when death suddenly disappears from human reality. Even those who did not choose immortality begin living longer than they ever dreamed possible. A group of young friends gather in the early 21st century to experience the biggest change ever imagined for mankind: they live for more than two hundred and fifty years! But as a result, the global population increases to twenty billion people. Earth becomes an overcrowded planet, bereft of young people's creativity. A question is posed to the surviving masses: do you want to continue living? A hidden message is revealed that brings this stunning story to its climactic ending. Manoel Walber is a medical doctor living in Belem do Para in the Amazon region of Brazil. This is his first published book. He enjoys reading in both Portuguese and English, and...
